

Objective: Seeking an entry-level IT position where I can apply my Java, Python, and problem-solving skills while learning and contributing to the organization's success.

INTERNSHIPS AND PROFESSIONAL TRAININGS

Company: VTU Center for Online Education

Web address: online.vtu.ac.in

Duration: (APR 3, 2025 - JUN 8, 2025)

Designation/Role: Virtual Intern

APR 2025 – JUN 2025

Intern

- Completed the Virtual Internship Program in Web Development and React with Python
- Designed and developed responsive web pages using HTML, CSS, JavaScript, and React.
- Implemented React components and managed application state for dynamic user interfaces.
- Applied Python programming concepts to build and test backend functionality.
- Completed the internship project and final assessment, achieving a final score of 94%.

EDUCATION

Sri Sairam of College of Engineering

Bengaluru

Bachelor of Engineering (B.E.) in Computer Science and Engineering

Dec 2021- Aug 2025

CGPA: 7.0/10

Project 1

Aug 2025 – Nov 2025

Distributed Storage Optimization using XOR-Optimized Cauchy Reed-Solomon Codes (Final Year Project)

Tech Stack: Java, HTML, CSS,

- Designed and implemented a fault-tolerant distributed storage system using XOR-Optimized Cauchy Reed-Solomon coding.
- Reduced storage redundancy while maintaining reliable data recovery.
- Evaluated the system based on data recovery, storage overhead, and performance.

Project 2

Project Management System (Project – TNSIF)

Tech Stack: Java, Spring Boot, Postman, PostgreSQL, HTML, CSS, JavaScript

- Developed a web-based application to manage student placements, companies, job roles, and placement drives.
- Implemented CRUD operations using Spring Boot and PostgreSQL for efficient data management.
- Designed REST APIs for seamless communication between frontend and backend

Achievements and Certificates

Certificates

- Web Development and React with Python – VTU
- Python Programming Certificate
- IBM Certificate

Achievements

- Successfully Completed the Virtual Internship Program in Web Development and React with Python

Expert PU College

Nagarabetta

Pre-University Course (PUC / Class XII)

JUN 2019 – JULY 2021

Grade/Score: 72%

SDK High School

Nagarabetta

Secondary School Leaving Certificate (SSLC / Class X)

Jul 2018 – May 2019

Subjects: General Curriculum

Grade/Score: 84%

TECHNICAL SKILLS

Programming Languages: C, Java, Python, HTML, CSS.

Packages & Operating Environment familiarity: MongoDB, MySQL, PostgreSQL.

Other Computer Operating: Excel sheet, PowerPoint.
